

SETTING THE ★ ★ ★ ★ ★ ★ ★ ★ NEW STANDARD FOR FACILITIES ENGINEERING

WHO ARE WE

Action Facilities Management (AFM) is committed to providing a full spectrum of project management with a dedicated, professional team of staff. Since 2001, our “can do” approach, combined with our technical knowledge, has enabled us to deliver tailored solutions to meet our clients’ most challenging needs.

Our clients depend on AFM to operate, manage, and protect their most critical assets and infrastructure. Our engineering capabilities span Facilities Engineering, HVAC and mechanical systems, electrical and plumbing infrastructure, Building Automation Systems, and CMMS administration, all delivered through data-driven, technology-enabled O&M solutions.

Our trained professionals and rigorous quality control processes ensure every client receives the premiere services AFM is known for. AFM holds numerous professional certifications including SBA Woman-Owned Small Business (WOSB), ISO 9001:2015, Cybersecurity Maturity Model Certification (CMMC), Tri-State Minority Supplier Development Council, Women's Business Enterprise (WBENC), Minority Business Enterprise (MBE), GSA Schedule, and more.
